

# The Crossover CUPS Mission

## Personal Packing List

For your personal luggage, you will bring a carry-on bag which will need to fit on board the aircraft. Be sure to check the size requirements and weight limits for your specific airline. Here is what we recommend for you to pack in your carry-on:

- Six sets of clothes
  - One for travel and one for each of the five days of your trip.
  - We recommend that you take old or second-hand clothing for each workday.
- One pair of old sneakers or shoes
  - These will be worn when we make trips to the dump and can be discarded at the end of your trip. These must be close toed shoes!
- A swimsuit
  - Women, please bring a cover-up to wear traveling to and from the pool.
- 2 reusable masks & hand sanitizer
  - These masks can be washed at night and left to dry.

We recommend that you do not bring any valuables or electronic devices with you. Cell phone service is not available; however, the lodge does provide WiFi. You will be provided a contact telephone number in advance of your departure where you can be reached in the event of an emergency.
