## Dominican Impact Update

Dear CUPS Family,

First of all, please take a moment to lift up in prayer the nearly 1500 CUPS partners who live in States that have been affected by the recent hurricanes, including over 500 in Florida and North Carolina. CUPS is not equipped to tackle disaster relief Stateside, but we do have thousands of partners like you who can pray to our awesome God for protection and provision of those whose lives were turned upside down because of the storm. Thank you in advance for your continual prayers for the CUPS family!

Also, a big thank you for everyone who has already joined us in the amazing **\$50,000 matching gift challenge** initiated by a CUPS Partner last month. So far you have given over \$10,000 in addition to regular partner gifts toward this amazing opportunity to change lives in the Dominican Republic!

Thank you!

If you have not already given your special gift toward this challenge, there is still time to get involved and **double your impact** for children and families in the Dominican Republic. Click the link below to make your significant gift today and another CUPS partner will match your gift up to \$50,000!

## CUPS Partners Provide Backpacks and Supplies

You probably already know that each summer, hundreds of CUPS partners join Daniel Solares and the team on the ground in the Dominican Republic to serve children and families in the six villages we serve. If you've never joined us yourself, you may not know that each team brings luggage packed full of items donated to the mission, including thousands of items of school supplies. Now that school has started back, CUPS leaders on the ground have divided those gifts up to provide backpacks and school supplies to over 600 children who are participating in discipleship programs as they head back to school. As a way of saying thank you to everyone who sent supplies, and partnered with CUPS, Daniel and his team took photos and videos of the children receiving the school supplies that you provided! You can watch a slideshow of the photos at the link below.

Thank you so much to everyone who joined us this summer, who brought supplies, donated supplies for someone else to bring, or partnered financially with the ministry. You make all of this possible through your continued generous support!

You can be the change for children and families in the Dominican next summer by signing up to join us on one of the many Serve DR opportunities already planned. There are plenty of spots left, so reserve yours today, and join us to Rescue and Child, Transform a Family, and trust God to Do It Again Tomorrow!
