

The Crossover CUPS Mission

Be The Light,
JOIN THE STORY!

Are You Ready to See the Transformation?

"Go and make disciples of all nations" (Matthew 28:19)

"How beautiful are the feet of those who bring the Good News" (Romans 10:15)

"If anyone gives even a cup of cold water to one of these little ones who is my disciple, truly I tell you, that person will certainly gain a great reward." (Matthew 10:42)

The Commission of Christ to missions, encouragement for missionaries, and the promise of reward for even the smallest act of obedience to our Lord. The Calling for every church to share the Gospel through missions in general and specifically through service to the poor is clear in the New Testament, and our church is answering that call in obedience.

We have begun a new partnership with The Crossover CUPS Mission, a group of missionaries rescuing at-risk children and families in the Dominican Republic through physical provision of food and clothing, education and vocational training, and gospel centered discipleship programs.

CUPS Mission has recently debuted a full-length film called **Sé la Luz** (Be the Light) to celebrate all the good work God is doing in the Dominican Republic, and we want our church to celebrate with them by watching it together.

We will celebrate, laugh, cry, and rejoice at how God is rescuing children, transforming families and doing it over and over again, and we will take time to discuss the best ways our church can join in this exciting missions opportunity.
