

CUPS MISSION

Dominican Republic. Malawi. Mexico.

Rescue a child. Transform a family. Do it again tomorrow.

Dear CUPS Mission Partners,

Your faithful support is creating a lasting, eternal impact. Because of your generosity, young people in the Dominican Republic are being disciplined, equipped, and drawn to a life changing relationship with Jesus, one life at a time.

This month, we're excited to share another powerful story, this time from La Mulata. A story that can be told because of your continued commitment to stand with CUPS Mission.

Natasha from La Mulata, her story in her words:

"My name is Natasha, and I am 20 years old.

I've been part of the CUPS program since I was 12, and looking back, I can see how much that one decision shaped my entire life. At 14, I accepted Jesus as my Lord and Savior, a moment that finally gave me direction, purpose, and hope.

Without CUPS, my story would look very different. I likely would have spent my life searching for meaning in the wrong places, struggling to find my worth on my own. Instead, God used CUPS to surround me with people who encouraged me and opened doors I never imagined possible.

Today, I am attending university, a dream I once thought was out of reach. I rely on the sewing skills I learned at the CUPS vocational school; these skills allow me to provide for myself and support my family. That training didn't just teach me a trade; it gave me confidence and independence.

When I imagine my life without CUPS, it looks gray and hopeless. But because of this program, my life is now full of purpose and possibility.

Thank you for your partnership with CUPS Mission. You may not realize it, but your simple acts of generosity are changing lives every single day.

You have changed mine."
