

Dear [NAME],

I hope this letter finds you well! Tell people who you are, how you heard and what you know about CUPS Mission, and what God did in your heart to move you to go on a mission trip.

I have the opportunity to travel to Malawi with CUPS Mission on [DATE]. The purpose of the mission trip is to encourage, equip, and empower communities in several meaningful and lasting ways.

This will be my [FIRST, THIRD, TWENTIETH] mission trip to Malawi, and I'm grateful for the opportunity to continue following God's leading to serve others and share the hope of the Gospel. I'm especially grateful for friends and family like you who make this possible.

During our time in Malawi, our team will work alongside of local leaders to serve in the following ways:

Pastor's Conference & Pastor's School

We will travel to multiple villages throughout Southern Malawi to encourage and equip pastors through teaching, discipleship, and fellowship to help strengthen local churches as they share the Gospel in their communities.

Women's Leadership Training

We will invest in local women by encouraging and equipping them as they take on leadership roles in their church and village, as well as steward their marriage and raise their children.

Children's Bible Camp

We will host Bible camps where children hear the Gospel through teaching, games, and relationship-building.

Village Ministry

Throughout the week, we will have opportunities to build relationships, share our testimonies, and engage in both group and one-on-one ministry within the different villages we visit.

Vocational School

We will visit the Vocational School, which enrolls students from neighboring villages in a six-month program offering six vocational classes. The team will take a facility tour, observe skills demonstrations, and attend the Graduation Ceremony.

Medical Clinic

We will also visit the Medical Clinic, which provides essential healthcare to people in the surrounding region who would otherwise have very limited access to medical services.

As I prepare for this trip, I would love for you to partner with me in two ways.

First, please join me in prayer - for our team, the people we will serve, and that God would work in and through this experience.

Second, I am raising financial support to help cover the cost of the trip, which is \$2,285 plus airfare. If you feel led to give, any amount truly makes a difference.

You can give online at [\[INSERT YOUR PERSONAL FUNDRAISING LINK HERE\]](#), or [\[Venmo, Check, etc. - however YOU wish to receive payment. Provide details\]](#).

Thank you for taking the time to read this and for considering being part of what the Lord is doing in Malawi. I will be eager to share my experiences with you once I return home!

Sincerely,
[\[YOUR NAME\]](#)
