

CUPS MISSION

Dominican Republic. Malawi. Mexico.
Rescue a child. Transform a family. Do it again tomorrow.

Hi Friends,

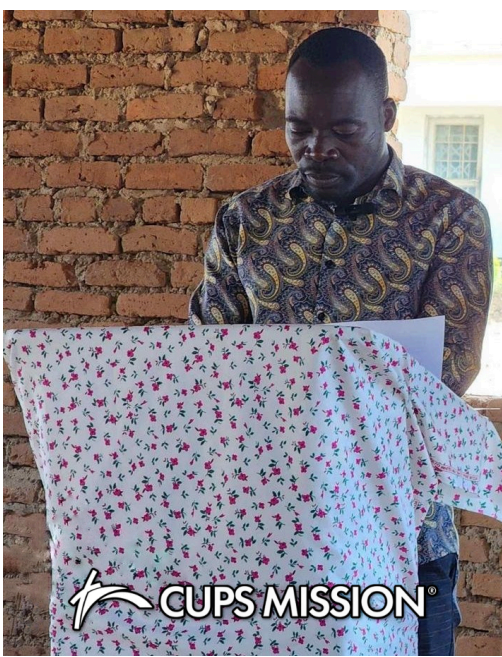

There is incredible work unfolding in Malawi, and none of it would be possible without you. Your prayers and partnership are the literal foundation of these transformed lives and renewed communities. You are truly making an eternal difference.

Here is how some of our recent graduates are stepping out in faith. As you read these stories be encouraged that you have played a vital role in them.

Festone Moyo – After a fellow missionary connected him to the CUPS Mission Pastor’s School, Festone committed himself fully to his training. Now a graduate, he is launching a new ministry by planting a church in Nselema to reach the local Muslim community. In the future, he also plans to establish a school to support and care for orphans.

Alex Matiya – Alex’s journey to the CUPS Mission Pastor’s School began when his youth leader returned from the program with incredible stories of how God was moving. Deeply moved by these testimonies, Alex stepped out in faith to attend the school himself. As a new graduate, he is heading to M’baluku with a vision to plant a church among the local Muslim population and start a goat farming cooperative to serve the community.

Estersiyo Juwao sought to deepen his spiritual life and, at the suggestion of a friend, enrolled in the CUPS Mission Pastor's School. Now a graduate, Estersiyo is moving forward with plans to plant a church in Madimba and establish Bible studies to support and mentor new believers.
