**Rescue a child. Transform a family. Do it again tomorrow.**

Dear Mission Partners,

We hope you find great joy today knowing that your partnership is making a difference that lasts forever. Your gifts are the reason students in the Dominican Republic are experiencing life changing discipleship and discovering the hope of Jesus. Your heart for this mission is resulting in real, tangible change. Brieneli is just one of the young girls whose journey was made possible by your support.

When Brieneli walks into CUPS, she brings a joy that's hard to miss, but this wasn't always the case. Her home life has been marked by significant instability, yet through these challenges, Brieneli has maintained a spirit of kindness and a steady hope in Jesus.

That joy began when a friend invited her to a discipleship class. Week after week, Brieneli asked questions and sought the truth, eventually accepting Jesus as her Lord and Savior. Today, she serves as a Student Leader at the Mission, eager to share the Gospel and help younger students take their own next steps of faith.

Brieneli is now bringing that same light into her home, faithfully praying that her mother will one day come to know Christ. Thank you for standing with CUPS. Your partnership makes this discipleship possible and raises up leaders who are changing lives.

**Thank you** for your heart for CUPS Mission. Your faithfulness is truly changing the World, and we are profoundly grateful to have you by our side. With gratitude, your friends at CUPS Mission.
